Introduction

The Vermont State Board of Education Rules (Rule series 2200) governing independent schools provides four choices for Independent Schools:

1. **Approved Independent School:** means an independent school that meets the requirements in Rule 2223.3 as well as the requirements in SBE Rule 2225 (tuition from public funds) and SBE Rule 2226 (Application).
2. **Approved Independent School Ineligible to Receive Public Funds:** means an independent school that meets the requirements in SBE Rules 2226 (Application) and 2227 (Approval) but does not meet the requirements of rules concerning the delivery of special education services in SBE Rule 2229.
3. **Therapeutic Approved Independent School** (or Therapeutic Independent School or Therapeutic School): means an approved independent school that limits enrollment to students who are on an IEP or plan under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794 and who are enrolled pursuant to a written agreement between an LEA and the school. These schools are eligible to receive public tuition, which is inclusive of both general and special education services and is at a rate approved by the Agency of Education.
4. **Recognized Independent School:** means an independent school meeting the requirements in 16 V.S.A. § 166(c). A recognized independent school is not eligible to receive public tuition.

The following pages list in-state schools known to satisfy the requirements of Vermont compulsory school attendance law.

NOTE: Enrollment numbers are for students in grades K-12 for the 2024-2025 school year as reported in the October 1, 2024, student census collection. These numbers do not include pre-school aged children.

Approved Independent Schools Eligible for Public Funding

Approved Independent Schools Ineligible for Public Funding

Pursuant to Act 73 of 2025, new eligibility criteria for approved independent schools to receive publicly funded tuition went into effect on July 1, 2025. New students may no longer enroll in approved independent schools ineligible for public funding after that date. However, any student who received publicly funded tuition at an approved independent school in 2024-2025 will remain eligible to continue receiving publicly funded tuition until they graduate from that school, even if the school is no longer eligible under the new criteria. This clause also applies to students who were accepted for enrollment for the 2025-2026 school year prior to July 1, 2025.
